

**§91.215(j) Coordination**

Will County will continue to enhance and strengthen the public/private/non-profit coordination it has cultivated, and/or participates in, with key organizations and entities in the County that deliver housing, social/supportive services and health services. The County also continually strives to enhance coordination between all local municipalities (and when applicable, the State of Illinois) in the achievement of mutual goals for the County and the implementation of this Consolidated Plan. Such coordination is illustrated below.
