

Eastern Will County Sanitary Sewer Study Stakeholders' Meeting

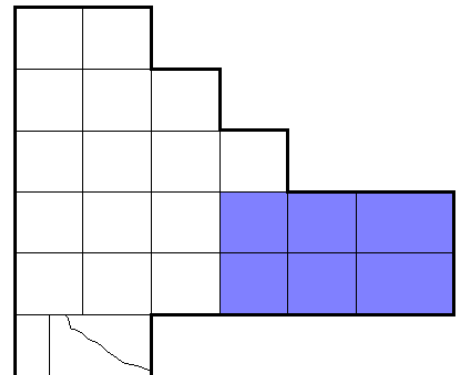

Date: Tuesday, February 26, 2008
6:00 p.m. to 8:00 p.m.

Location: Eastern Will Co. Senior Services Center
25864 S. Chestnut Road
Downtown Monee, IL
(Next to the Monee Water Tower)

Who & Why: Will County received a grant from the U.S. EPA to study the waste water needs for the six eastern township region of Green Garden, Monee, Crete, Peotone, Will and Washington.

To make this grant possible, matching contributions have been made by Will County, Village of Beecher, Village of Peotone and the Thorn Creek Sanitary District

What to Expect: Will County has retained the engineering consulting firm Farnsworth Group to fulfill the requirements of the U.S. EPA grant.

Farnsworth Group would like to present their findings to public stakeholders to gauge public response and obtain local knowledge.

Please come to learn a little more about this project and to share your opinions.
